## They count on you!

**Goutte d'eau needs your support** to buy land and start the first social business giving a place to live and work to young adults with mental disabilities in Cambodia.

Currently these young adults are either abandoned, placed in state run inhuman hospices for mentally ill people, or live in the center Goutte d'eau founded for children with handicaps where they cannot stay now that they have grown up.

The new project of Goutte d'eau will start with the building of a small farm and at a later stage, the project will expand its activities to a restaurant and a guesthouse.
